Ledgemoor won 9 matches and Lyonshall 6. One was drawn

Ledgemoor's stars – Team 2 who won every match

NB All IMPs (calculated on the evening and checked later*) are converted on a special scale to VPs, so nobody can get more than 20 or less than 0 in a match.

IMP = International Match Points: VP = Victory Points

*much later! Director's chaos on the night, and difficulties over people not noting down their name/number/EW-NS; boards in right/wrong order BUT

Thanks to all for an enjoyable evening
