## 46<sup>TH</sup> ANNUAL ROUND THE HOUSES KNOCKOUT BRIDGE COMPETITION 2020-21

# COMPETITION RULES

After some discussion we have concluded that players may choose whichever scoring system they prefer but this would need to be agreed upon prior to the host setting up the table. If no agreement is reached, then Total Points should be used which is nearest to Chicago scoring. Some players have only very recently played their first game online so please be patient if they are having difficulty.

The top named pair please get in touch with your opponents, arrange a date and time to play and remember to ask for the user names for both players and agree the scoring system to use. We suggest you aim to play the first round by the end of November which will enable us to make the draw for the Consolation Competition. We suggest playing twenty hands, but so long as you are all in agreement, this can be altered at the start of the match.

Please let us know the result by email to: [hillandale123@btinternet.com](mailto:hillandale123@btinternet.com) or telephone 01544 318454.

There will be a further preliminary round for those in the Consolation Competition following the first round.

We hope you will enjoy your matches, thank you for entering and supporting our charities.

Kind regards

Richard and Sue Powell
